

THE 2025 SUMMER LECTURE SERIES

Please join us on Monday evenings for our second annual **EXCHANGE** Summer Lecture Series!

- ◆ **May 5 - The Composers that History Forgot**, Kenneth Woods, Artistic Director/Conductor of Colorado MahlerFest.
- ◆ **June 16 - The Precious Minerals Challenge for Renewable Energy**, Mark Squillace, Professor Natural Resources Law, University of Colorado, Boulder.
- ◆ **June 30 - A Roadmap for Optimal Brain Health and Longevity**, Dr. Ilene Naomi Rusk, Brain and Behavior Clinic, Boulder.
- ◆ **July 14 - Discovering Bhutan: Land of Gross National Happiness**, Dr. Janet Ward, Prize-Winning Teacher and Researcher.
- ◆ **July 21 - Artificial Intelligence - Learning, Working, and Collaborating in the Digital Age**, Gerhard Fischer, Professor Emeritus, Computer Science, University of Colorado, Boulder.

Lecture and Discussion: 5:30 – 7:00 p.m.

Cost: \$12 per session, or \$50 for all five lectures.

Use the link below for more detailed lecture descriptions, speaker bios, and to register for the sessions:
